MANAGING DIRECTOR'S MESSAGE

HAPPY 40TH!

"In my long association with TYPA through my children's participation and involvement with the TYPA Board, I have seen incredible change. From very humble beginnings, TYPA has grown over the last four decades to be a true community leader and a magnificent organization for the international community. On its 40th anniversary, I wish TYPA a very happy birthday!"

Livia Yu, TYPA Executive Board Chairperson

Happy 40th TYPA! We've grown and matured in every way over the years. From very modest beginnings with just a few instructors offering 16 activities to a handful of children, TYPA now employs 130 specialized instructors offering over 150 different activities every week to 2,000 members.

These activities are wide-ranging and include technology (robotics, app design, coding and 3D printing & design), sport (soccer, basketball, baseball, tennis, volleyball, track & field and inline-skating), music (piano, cello, violin, flute, guitar and vocal), martial arts, dance, gymnastics, public speaking, drama, chess, art, Tiger Tots early childhood programs, adult classes as well as many more. And then there are the summer offerings (Day Camp, Pre-School Camp, Tech Camp, Film Camp, Basketball Camp, Tennis Camp as well as music programs). Yes, we have certainly grown!

As Livia stated above, TYPA is a true community leader and has become the "third place" for our community after home and school. We not only provide quality sports and recreational programs but we also provide opportunities for families to meet and socialize and develop relationships in our community.

And all of this would not happen without the professionalism of our incredible staff, the dedication of our huge band of volunteers and the support of our wonderful families. To all our community, we say a big thank you!

We have a lot to celebrate during this significant year! We invite you drop by and sing 'Happy Birthday' with us.

Best wishes,

Gerry Moran

📅 Holidays

All TYPAA holidays follow the Taipei American School calendar. Please refer to the calendar on our website for details.

www.typaa.org.tw

MEMBERSHIP

In order to participate in TYPA classes, one must first be a member of TYPA. TYPA welcomes everyone from the international community and has members from all around the world. Joining TYPA is a simple process. Just come to the TYPA office with the completed master registration form (downloadable from our website) and bring the new member's foreign passport. Non-TAS parents are required to bring in one photo each for their gate pass. Due to Taiwan government regulations that govern the charter of TYPA, all members must be foreign nationals holding a foreign passport.

Each participant pays a registration fee of \$1,400 per semester. The Fall semester 2019 registration fee is for the period from **June 3 to December 20**. The Spring semester 2020 registration fee is for the period from **January 6 to May 22**.

REGISTRATION

TYPA has two main registration periods; registration for Fall programs takes place in late April/early May, and registration for Spring programs in November/early December. We have a special early registration period in March for summer activities. For specific dates, please ensure you are on our weekly email list and refer to our website. Please remember that full payment must accompany registration.

Re-Registration

During the April/May Fall registration, continuing students in progressive skill programs from Spring semester will receive priority (Advanced Registration Notice) to re-register for those classes.

During the November/December Spring registration, continuing students in all programs from Fall semester will receive priority to re-register for their classes and spaces are guaranteed. Forms of payment can be arranged through "MY TYPA" online.

Open Registration

Open Registration is for current members who wish to register for additional activities and new members who are enrolling for the first time at TYPA.

"TYPA offers fun and exciting classes that all my students look forward to attending. The staff and teachers are always helpful in getting students organized and moved safely during transition times to their activities. The new online registration system has made registering for my own children's after school activities stress-free and convenient."

MY TYPA

“My TYPA” provides members with information such as schedules, times and the locations of activities. At registration time, when a member logs on, it provides a number and time for members to register. It also provides Spring Semester billing details.

<http://reg.typa.org.tw/web-login.asp>

AVAILABLE ACTIVITIES

Throughout the semester, members can review our list of available activities at

<http://reg.typa.org.tw/wlist1.asp>

E-REGISTRATION SERVICE

TYPA provides an e-registration service for continuing students who wish to re-register for the same classes with a pre-authorized credit card and avoid another visit to the TYPA office. For the first-time user, a completed **authorization of credit card payment form** (downloadable from our website) **should have been submitted to the TYPA office** before the registration period.

For members who have completed the authorization process, the payment can be made by simply submitting the registration form to: reg@typa.org.tw

WAITING LIST

Members may be put on the waiting list when a class is fully booked. When a currently enrolled member withdraws and their space becomes available, the registrar will inform you immediately. According to the withdrawal policy, this usually happens during the first two weeks of the semester. The waiting list will be voided when the semester ends.

TAS KINDERGARTEN PICK UP SERVICE

TYPA can pick up TAS Kindergarten students and bring them to their 2:45 group class. We can also bring them to their bus or to the TYPA lobby after class. If this is an option you are interested in, please come to the office and fill out a service slip.

E-MAIL & COMMUNICATIONS

TYPA sends out weekly email news announcing events, class changes, sports schedules and upcoming registration dates. If you wish to be on our mailing list, please simply click the "Join Mailing List" button on the bottom of our website. TYPA will not sell or give your email address to other members or third parties. Mail is sent using Constant Contact® with the recipient list hidden.

FACILITIES USAGE

All participants are reminded that we use TAS facilities for our programs. There will be times in the year when classes may be cancelled or tem-

porarily moved to other locations on campus. It should be noted that TAS curricular programs take priority over TYPA recreational activities. Members are asked to please take this into consideration when signing up for TYPA activities.

CLASS CHANGES

Due to the possibility of unforeseen circumstances, such as room availability or teacher illness, TYPA reserves the right to add, cancel or change classes.

When classes are cancelled due to bad weather or other unforeseen circumstances, refunds, credits or make ups will not be given. However, in the case of tennis, music and summer programs, please refer to these specific policies on pages 17, 37 & 82 respectively. In case of a typhoon alert, check our website, or call TYPA to verify if your class has been cancelled or not.

If TYPA cancels a class, credit will be given. If a student simply misses a class, there will be no make up or refund.

CREDIT & REFUND POLICY

Withdrawal will only take effect after the member has presented TYPA with the appropriate withdrawal form which can be downloaded from our website.

Registration Fee

The TYPA registration fee is non-refundable.

CORNING

We've been consistently first to market with new innovations including next-generation sizes and reduced thickness.

Today, we're leveraging our fusion assets, glass science expertise, and optical physics capabilities to drive the next round of display innovations – better images, ubiquitous touch, flexible displays, and new form factors.

If withdrawal is completed before the due dates listed above, a \$500 processing fee will be deducted from the remaining program cost and the remainder will be refunded or credited. For summer programs, please refer to page 82.

Credits are transferable to any other class or program for a period of one year from the time of the withdrawal. The transferred credits can also be used by any member of the same family. Refunds will be issued by check within three weeks of withdrawal notice. For amounts of less than \$3,000 a cash refund can be requested. All payments made by credit card can only be refunded to the card itself.

If the member relocates, a refund will only be issued if the withdrawal is before October 19, 2019 for the Fall semester or before March 14, 2020 for the Spring semester. For Tiger Tots policy, please refer to page 65.

LONG-TERM ILLNESS OR INJURY

Participants will only be entitled to a credit or refund for long term illness or injury if they with-

draw from the activity or class for the rest of the semester. This will be on a prorated basis and the TYPA Registrar must be informed as soon as possible of the illness or injury.

ACCIDENT INSURANCE

TYPA carries liability insurance for all participants on the TAS and Tiger Tots Place campuses where TYPA activities are held, but does not carry personal medical and accident insurance, which is deemed to be a personal family responsibility. Reasonably priced, on-island (Taiwan) accident insurance is available through the TYPA insurance company for TYPA members. Information about the insurance is available at the TYPA office.

FINANCIAL AID

TYPA will never turn a child away from participating in its programs due to an inability to pay for a program or a membership. Partial sponsorships are available based on individual need. Sponsorships are made possible by contributions from corporations and individual donors.

SPORTS

GENERAL INFORMATION

TYPA provides basketball, soccer and baseball leagues for lower school students. Emphasis is placed on participation, learning and fun through sports. For these sports, each student will be able to partake in one weekly practice session (see below for days and times) and Saturday games. Students will be split into teams and will compete against other students of the same age. Players of all abilities are welcome to join in the excitement of our sports programs.

- 📌 *In order for teams to be evenly matched within the league, grades 2–5 players must be present on skill assessment days. Players are rated by clinic coaches at that time. **You will not be placed on a team if you do not attend.***
- 📌 *Practices and games may be cancelled due to severe weather or poor air quality. If two or more Saturdays are cancelled due to poor conditions, we will endeavor to schedule doubleheaders to make up the games.*

TRACK & FIELD

Track & Field

Grades: 1- 5

We will introduce fun activities based around Track & Field that will enable kids to participate in all sports that involve speed, endurance and coordination. Our qualified coaches will deliver a season-long program culminating in a Track & Field Meet on Saturday, May 16, 2020. Numbers are restricted so sprint to sign up!

 Days: TUE. 3:45-4:40pm

 Season: April-May

 Cost: \$4,000 per season

INLINE SKATING

Inline Skating

Grades: 1- 5

Get out and get active with TYPAs inline skating! An international sport full of speed, maneuverability, and perfect for the urban streets of a big city! We will provide a fun, safe learning environment with expert coaches who are ready to share their techniques with beginner, intermediate and advanced skaters. Our coaches will focus on essentials like crash & rise, balance & agility, skating forwards and backwards, crossovers, and of course, stopping. Speed is not the priority – technique is!

 Days: THU. 2:45-3:40pm

SAT. 10:30-11:25am

 Cost: \$4,500 per semester

VOLLEYBALL

Volleyball

Grades: 3- 5

Bump, set, attack, block! We are proud to offer a program designed to introduce lower school athletes to the game of volleyball – a unique sport with quick changes in direction and pace that is perfect for challenging young players. Players will learn the fundamental skills of the game that will improve their flexibility, balance, and especially hand-eye coordination. Our experienced coaches will teach these skills using fun and safe drills that will start a foundation meant to be built on for years to come.

 Days: MON. 3:45-4:40pm

 Season: April-May

 Cost: \$4,000 per season

"My kids have been involved in TYPA for many years now. My son and daughter play soccer, basketball and baseball. Playing multiple sports has helped with their coordination and balance, which I see every day while they chase each other around at home. They have learned teamwork skills that translate into them getting along better and being more understanding of each other's feelings. They have developed not only physically but have also learned how to be a better teammate and how to work together. Because of that they have become better people on and off the field."

- Stas Kutsel

TENNIS

Tennis students will need to purchase their own tennis rackets to be used for tennis lessons. Tennis or sports shoes must be worn to avoid injuries and students will also need to wear proper sportswear in class.

Tennis Lessons

Grades: 1-12

Come join TYPA tennis and learn how to serve, volley and hit a ground stroke! It's a great opportunity for you to learn various tennis techniques with our outstanding tennis coaches. The TYPA tennis program is comprised of **FOUR DIFFERENT TENNIS LESSONS OPTIONS:**

1. TENNIS CLINIC - Three coaches collectively instruct 15-20 students of all levels. Tennis clinic lessons are only offered from 2:45-3:40pm (Mon-Fri). We also offer a special tennis clinic lesson on Friday 3:45-4:40pm for grade 6 and older students. At the beginning of each semester, students will be assigned into different groups based on their assessed level and age. Tennis students will not be able to choose their own instructor.

To be fair, each student may only enroll in two tennis clinic classes per week.

2. PRIVATE - One on one

3. SEMI-PRIVATE - One coach with 2 students

4. GROUP - One coach with 4-6 students

All Private, Semi-private and Group lessons are scheduled between 3:45-7:15pm on weekdays, and on Saturdays from 7:00am - 7:00pm.

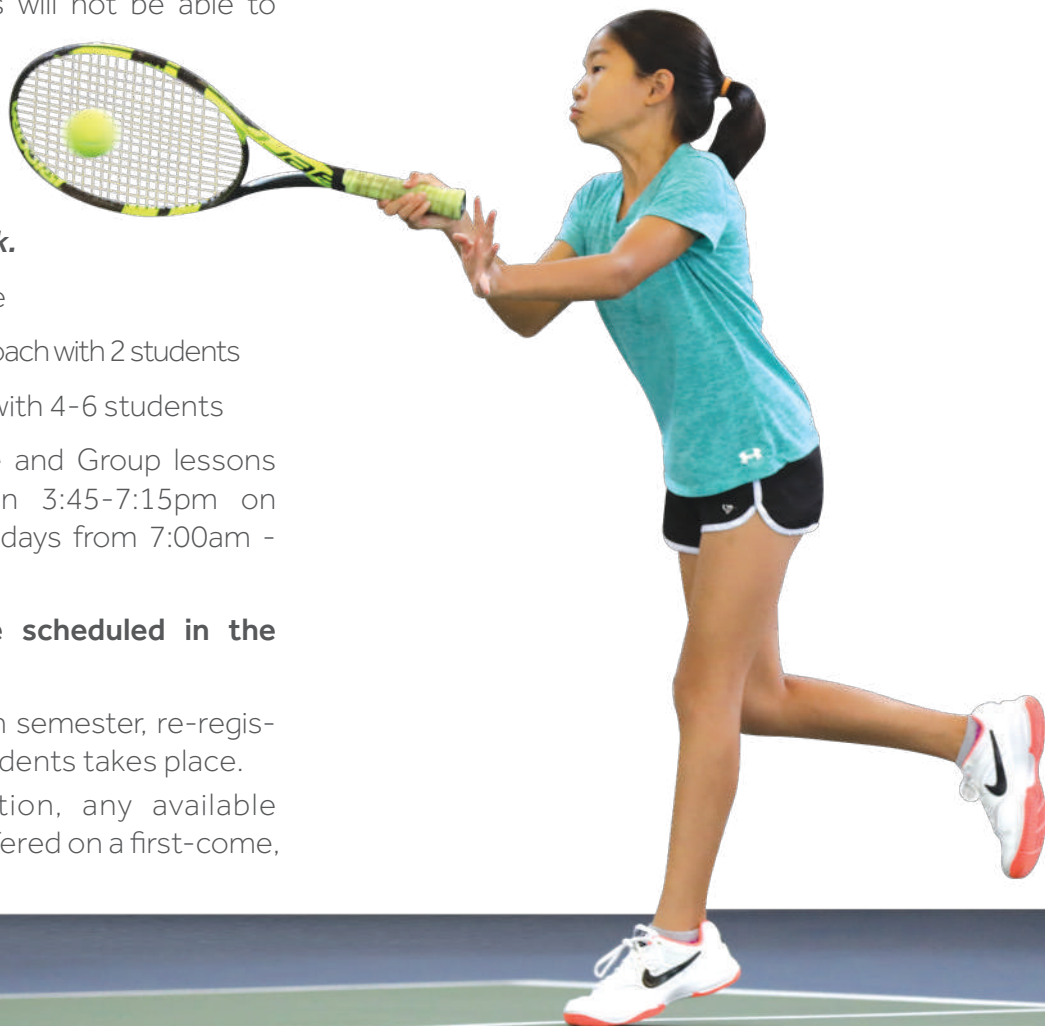

All tennis lessons are scheduled in the following manner:

Towards the end of each semester, re-registration for continuing students takes place.

During open registration, any available spaces remaining are offered on a first-come,

first-served basis. If a desired coach or time is unavailable, names are placed on a waiting list. All waiting lists and special requests are purged at the end of each semester.

TENNIS LESSON PRICES			
LESSON	COST / TIME	FALL 2019 (18 WEEKS)	SPRING 2020 (18 WEEKS)
Clinic	\$450 / 55 min	\$8,100	\$8,100
Private (1 Person)	\$640 / 30 min	\$11,520	\$11,520
Semi-Private (2 Persons)	\$420 / 30 min	\$7,560	\$7,560
Group (4-6 Persons)	\$420 / 60 min	\$7,560	\$7,560

Tennis Courts Usage

Please note that TYPA tennis lessons will be held on the TAS Rubber D area.

The tennis lessons from 3:50-5:20pm on Mondays will be held at the Taipei Japanese School (across from TAS). TYPA will walk younger children over to the TJS campus if parents wish.

There will be times during the year when tennis lessons may be cancelled due to conflicts with TAS activities. In February and March, some lessons will be cancelled or relocated during TAS track and field season. Members should note that TAS's curricular programs take priority over TYPA recreational activities. Please take this into consideration when signing up for TYPA tennis programs.

Cancellation Policy

After the second week of the semester, no credits or refunds will be given due to withdrawals and no schedule changes will be allowed. There will be no credits or refunds for missed tennis clinics, group lessons or semi-private lessons. Private lessons are allowed one cancellation per semester but the cancellation must be done at least 24 hours in advance. Please note, canceled tennis lessons will not be made up.

Regarding injury cancellation, we will only issue a refund to an injured student if they withdraw for the rest of the semester. Please provide a medical certificate when applying for an injury refund. Once the injury application has been submitted, the student will lose priority registration for the re-registration period.

Announcements on the cancellations of tennis lessons due to inclement weather will be made at 2:00pm on the day of the lesson. Cancellation text messages will be sent to parents once the cancellation is confirmed. If the cancellation is made after 3:45pm, tennis coaches will contact the parents individually. Parents can call the TYPA office to inquire about cancellations after 2:00pm. Lessons cancelled by TYPA will be credited or refunded at the end of the semester.

Tennis Waiting List

When TYPA tennis lessons are full, members can fill out a tennis waiting list form and submit it to the TYPA office. If any spot becomes available, the next member on the waiting list will be contacted. According to the withdrawal policy, this usually happens during the first two weeks of the semester. The waiting lists expire at the end of the semester.

Partnering up

If you sign up for a semi-private lesson, please endeavor to find a partner for yourself beforehand. If you cannot find a partner, please sign up for a private lesson initially and TYPA will try to help you find a partner at your level and age.

If you sign up for a semi-private or group lesson, but your partner(s) decide to cancel or reschedule to another time slot, your tuition will be adjusted according to the number of students registered for that class.

DANCE

GENERAL INFORMATION

First semester dance classes concentrate on fundamentals, techniques, flexibility, and body placement. Second semester dance classes concentrate on performing skills. Students will also learn a choreographed routine to be performed in the Spring Dance Recital in May. For maximum benefit, we recommend students begin their dance studies in the fall and continue into the spring.

◆ *All of the dance classes (except Baby Ballet) will perform on stage for the Spring Dance Show. Please be aware that there will be additional costs for costumes.*

Dress Code Policy

The TYPA Dance Department has a dress code for all dance classes. It is the student's responsibility to acquire the appropriate attire necessary for individual classes.

TYPA does not sell or otherwise provide uniforms. Students are required to purchase their own uniforms from a local retailer or with assistance from the dance instructor. Families, please contact your dance instructor for further assistance if needed.

GYMNASTICS

GENERAL INFORMATION

The TYPA gymnastics program offers an excellent opportunity for all levels of gymnasts. Gymnastics develops your muscles, your sense of balance, and your flexibility. Whether you take classes for a great work out or whether you decide to compete, your mind and your body will benefit from the exercise and discipline required.

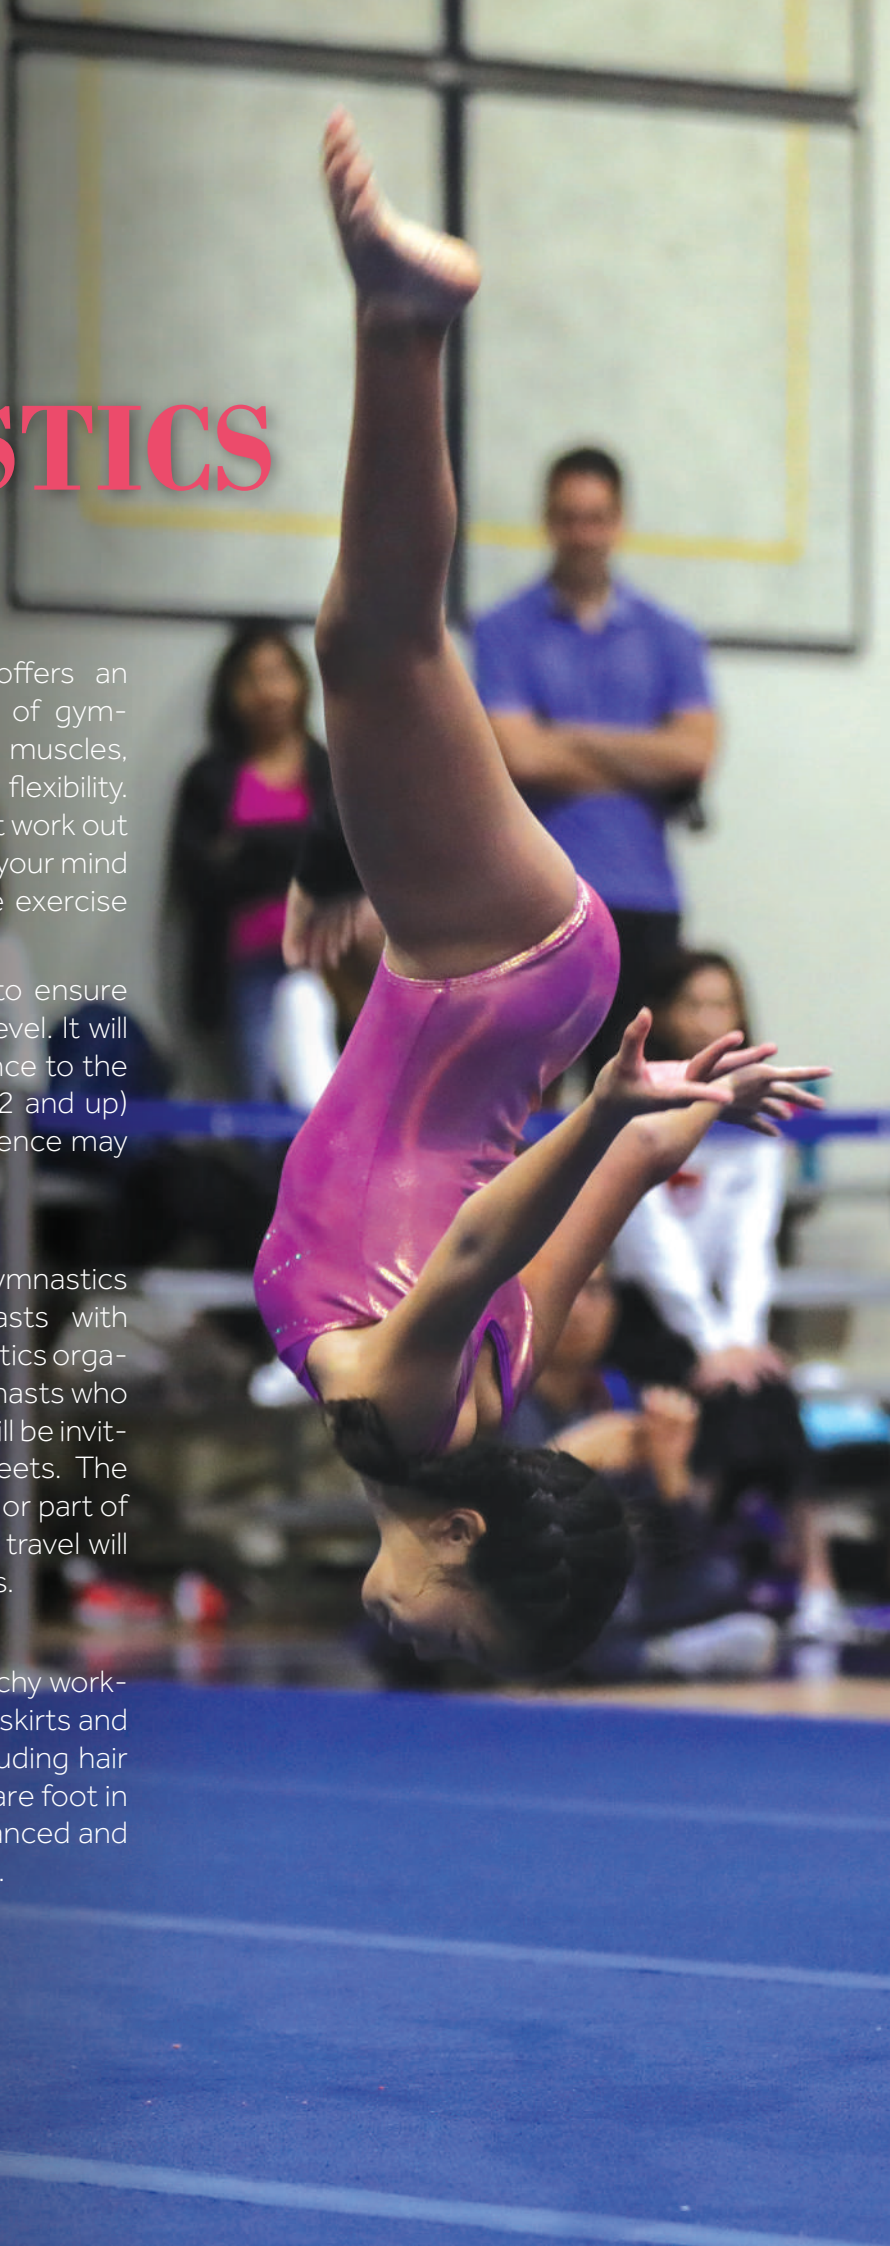

Our coaches will assist gymnasts to ensure they are placed in the appropriate level. It will normally take 2 semesters to advance to the next level. Older beginners (Grade 2 and up) with no previous gymnastics experience may attend the Intermediate level.

GYMNASTICS MEETS

TYPA will attempt to schedule gymnastics meets for Advanced/Elite gymnasts with other local and international gymnastics organizations. Only Advanced/Elite gymnasts who have 4+ hours of classes per week will be invited to participate in gymnastics meets. The gymnastics meet is not guaranteed or part of the activity fee. Any extra meets or travel will be at the expense of the participants.

DRESS CODE POLICY

All gymnastics classes require stretchy workout clothing. Avoid wearing jeans or skirts and take off watches, jewelry, and protruding hair gear. All classes will be conducted bare foot in the covered gymnastics room. Advanced and Elite gymnasts should wear leotards.

Gymnastics (Pre-School)

Grades: PreK-K

This class teaches basic gymnastics movements on special child-sized equipment. A small class size ensures quality training and safety.

📅 Days: THU. 2:45-3:30pm
SAT. 9:00-9:45am
SAT. 10:00-10:45am
SAT. 11:00-11:45am

💰 Cost: \$4,500 per semester / class

Gymnastics (Beginning)

Grades: K-1

A fun introduction to gymnastics. Students will work on tumbling, vaulting, and the mini-trampoline to develop flexibility, strength, endurance, balance and coordination. This class is designed for children 7 years of age and younger with no prior gymnastics experience.

📅 Days: MON. 2:45-3:40pm
TUE. 2:45-3:40pm
WED. 2:45-3:40pm
FRI. 2:45-3:40pm

SAT. 10:00-10:55am

💰 Cost: \$6,000 per semester / class

Gymnastics (Intermediate)

Grades: 1-5

If a TYPA student has had some experience in gymnastics, this is the class for them. Building upon their beginning skills, the students advance to higher level skills and begin work on the balance beam and uneven bars.

Students in grade 2 and up with no prior gymnastics experience may attend this class.

♥️ *Sign up for one or more classes per week.*

📅 Days: MON. 3:45-4:40pm

SAT. 11:00-11:55am

💰 Cost: \$6,000 per semester / class

Our second grade daughter has been a part of the TYPA gymnastics program for the past three years. She has thoroughly enjoyed every minute of her time there. The TYPA coaches have enhanced her love of gymnastics, while supporting her and inspiring her to improve her skills. With their encouragement and guidance she has had the opportunity to compete in both international and local gymnastics events. We are really proud of what she has accomplished while in this program.

- Carlee Foote

Girls Gymnastics (Advanced) Grades: 1-12

This class introduces the gymnast to advanced skills and international routines. Gymnasts have the benefit of increased gym time and more individualized instruction. They will develop the self-confidence, control, and self-discipline required for a more aggressive gymnastics schedule in preparation for gymnastics meets. Students are evaluated and approved by the coaches for entry into this class.

- 📌 *Instructor consent is required.*
- 📌 *Due to the limitations of our equipment, this class is only offered to female gymnasts.*
- 📌 *Only gymnasts who have 4+ hours of classes per week will be invited to participate in gymnastics meets.*

📅 Days: MON. 4:45-6:40pm

 SAT. 2:30-4:30pm

💰 Cost: \$12,000 per semester / class

Advanced & Elite Gymnastics Notes:

Only gymnasts who have 4+ hours of classes per week will be invited to participate in gymnastics meets.

- 📌 10% discount for 4 hours of classes taken per week
- 📌 20% discount for 6 hours of classes taken per week

To allow gymnasts more scheduling options, Advanced classes and Elite classes run concurrently.

Concurrent classes are possible due to the large size of the gym and the number of coaches available to teach.

Girls Gymnastics (Elite) Grades: 1-12

This class provides, for those interested, the excitement of a competitive gymnastics program. Students should be able to dedicate themselves to a more rigorous training schedule. If competitive gymnastics is not sought after, gymnasts should not advance to this class. To help develop floor exercise skills, enrollment in a ballet class is recommended.

- 📌 *Instructor consent is required.*
- 📌 *Due to the limitations of our equipment, this class is only offered to female gymnasts.*
- 📌 *Only gymnasts who have 4+ hours of classes per week will be invited to participate in gymnastics meets.*

*Just 30 minutes a day
can build a lifetime of advantages*

Enrolling in the Kumon Math Program will help lay the foundations of self-learning and advance your child's calculation skills, for an advantage in school and beyond.

Daily Kumon Math Worksheets will take about 30 minutes to complete in two sessions a week at a Kumon Center, and then another five assignments to be completed at home. Your child will work at his or her own pace, mastering each new concept before moving on. With each worksheet, you'll find your child accelerating important math skills. Many Kumon parents ultimately find their children advancing beyond grade level on their own. Other subjects applying the same concept are Chinese and English.

Welcome to the amazing world of clay! Using colorful resin, students will have the opportunity to learn basic skills of modeling clay. They will create three dimensional projects, such as animals, birds, cartoon characters and more by using rolling, pinching, rubbing, stretching, and color mixing techniques. Using the techniques and skills taught in class, students will have the opportunity to build their confidence and show off their creativity through "one of a kind" projects. Clay projects are a process and finished models will be brought home upon completion.

📅 Days: TUE. 2:45-3:40pm
 THU. 2:45-3:40pm

💰 Cost: \$5,800 per semester / class

Clay Workshop

Grades: 2-5

This class is an advanced resin clay program that was created for children from 7 to 10 years old. It offers an excellent approach to creativity in clay and helps children enhance their creative thinking by developing and expanding their interests. Our instructor designs many different thematic learning projects for this class and each month the students create different artwork based on the themes. Students will learn to combine clay with other varied materials (such as paper, wires, plastic bottles, etc) and turn them into great artwork.

📅 Days: WED. 2:45-3:40pm

💰 Cost: \$6,200 per semester

Paper Clay Creations

Grades: 1-5

Paper clay is a type of lightweight, air-hardening material. It can be molded and shaped while still moist and after it has dried hard, it can be painted with watercolor, acrylic and other paints. This clay has endless creative possibilities and is easy to work with. In this class, we will use paper clay to create projects such as jewelry, holiday items, ornaments, miniatures, sculptures and more.

📅 Days: MON. 2:45-3:40pm

MUSIC

GENERAL INFORMATION

Music at TYPA is for all ages. We offer 30, 45, or 60 minutes of private music instruction in Cello, Flute, Guitar, Piano, Violin, and Voice. We also offer group lessons for flute, guitar, musical theater singing, and the "Chanterelles" children's choir.

Our music instructors are exceptionally talented with a wealth of experience, and most possess Master of Music degrees specializing in music performance. Many continue to perform in recitals and concerts throughout the year.

Students should either own or rent their own instrument for weekly practice. While TYPA doesn't sell or rent instruments, we can assist you in finding where you can either buy or rent one.

Each private lesson student has the option to perform in a music recital at the end of the school year.

MUSIC AGREEMENT

Music lessons can begin at any time during the semester depending on availability and lessons will be prorated from the actual start.

Every parent or adult student is required to read and understand the TYPA Music Agreement. The Music Agreement is available at the TYPA office, on our website, or in the TYPA Music Notebook.

Please do not enroll in the TYPA music program unless you are able to make a weekly commitment to your music lessons.

Please note that there may be additional costs for music books.

SCHEDULING

All music classes are scheduled in the following manner: towards the end of each semester re-registration for continuing students takes place and music teachers arrange their schedules with them first. During open registration, any spaces remaining available are

offered on a first-come, first-served basis and if a non-available teacher or time is desired, names are placed on a waiting list. All waiting lists and special requests are purged at the end of each semester.

Private music lessons meet every week as follows:

◆ **FALL 2019 — AUG. 19 - DEC. 19**

◆ **SPRING 2020 — JAN. 6 - MAY 22**

◆ **They will not meet on the following dates and are prorated accordingly:**

PRIVATE LESSONS

Piano

Grades: K-Adult

Personalized one-on-one piano lessons structured to each individual student's skill level, goals, and schedule. Whether you're a beginner, intermediate, or advanced pianist, private piano lessons with supportive and motivating piano teachers are the best way to unlock your potential and achieve success in both piano theory and performance. We also prepare students for university and conservatory entrance auditions, ABRSM exams, recitals, and competitions.

Cello / Violin

Grades: K-Adult

String instruments pose their own special challenges. Fine motor skills; balancing your bow for just the right musical touch; delicate intonation, and ear-training skills; reading your music well; bowing correctly with your rhythms. You need weekly feedback and encouragement to know that you are on the right track. Private cello and violin lessons are available with our inspiring and patient teachers. Whether you're a beginner or advanced student, our string teachers can tailor your lessons to meet your level and aspirations.

Flute

Grades: 2-Adult

Taking private flute lessons with a professional teacher is highly beneficial for all music students, particularly those interested in wind or orchestral ensembles, but also for soloists and chamber musicians. Private instruction is provided for all ages and abilities, and students will develop and refine concepts related to tone production, breathing technique and the interpretation of music. Younger students may take lessons with instructor consent and a proper-sized flute.

Voice

Grades: 6-Adult

In private voice lessons, we develop vocal range, pitch, tone production, breath control, enunciation, ear training, interpretive skills, and more. All lessons include warm-up exercises to improve breath control and to avoid damaging the vocal chords.

MARTIAL ARTS

GENERAL INFORMATION

TYPA offers martial arts classes in five distinct disciplines – Aikido, Karate, Ninja, Taekwon-Do, and Brazilian Jiu-Jitsu. Martial arts teaches respect, courtesy and self-discipline, and improves flexibility, strength, stamina, health and fitness.

Discipline, attitude, and respect for martial arts will be emphasized. Examples of the above guidelines include promptness to class, proper wearing of uniforms and respect for the martial arts master and fellow students.

All TYPA martial arts classes are minimal body contact. Older beginning students or students with experience in a different martial arts discipline may attend higher-level classes at the discretion of the instructor.

Belt Advancement Tests

Testing criteria will not only include skills, but

discipline, attitude, and respect displayed throughout the semester. Students will not advance to the next belt level unless all these criteria are met to the satisfaction of the instructor. It is not mandatory to take the test, however, it is recommended if your child would like to advance to the next level. *Please note there will be an additional cost for tests.* Parents are encouraged to watch the test take place.

Dress Code Policy for Martial Arts

TYPA does not sell or otherwise provide uniforms. Students are required to purchase their own uniforms from a local retailer or with assistance from the instructor. Students must be in a properly-fitted uniform by the third lesson or they are subject to sitting out that class. Each discipline has its own unique uniform and different color schedule for its belt system.

AIKIDO

Aikido in its present form was developed in Japan in the early 20th century. Aikido is seen not only as a system of self-defense, but also as a means of self-cultivation and improvement. It is unique among martial arts in that the majority of techniques are based on aggressors making the first move and using their energy and momentum to neutralize them.

Aikido

Grades: 1-Adult

On a physical level, Aikido involves some throws and joint locks. It focuses not on punching or kicking, but rather on using the opponent's energy to gain control and throw him away from you.

It is recommended for a parent to sign up with a Grade 1 or 2 student for one or two classes per week.

📅 Days: THU. 5:50-7:20pm
SAT. 9:00-10:30am

💰 Cost: \$7,200 per semester / class

NINJAS

The Ninjas program promotes general fitness and flexibility. We use modified martial arts stances to promote coordination, self-control and balance. Your child will gain confidence, mental strength, discipline, focus, and much more.

Little Ninjas

Grades: 1-5

The Little Ninjas program introduces the ninjutsu philosophy with balancing skills and exercises. Fundamental skills such as discipline, focus, coordination, punches, kicks and blocks are also taught. The overall goal is on fun, encouragement and positive development.

📅 Days: FRI. 2:45-3:40pm
SAT. 11:00-11:55am

💰 Cost: \$4,800 per semester / class

🎒 Belt: White -Yellow

Ninja One

Grades: 3-12

Our Ninja One classes teach counterattack and sparring skills, as well as basic take down stances, grappling and defense skills against locks and chokes. Fun hand-eye coordination drills using ninja stars (improvised Shuriken) are emphasized.

📅 Days: FRI. 3:45-4:40pm
SAT. 12:00-12:55pm

💰 Cost: \$4,800 per semester / class

BRAZILIAN JIU-JITSU

Brazilian jiu-jitsu is a martial art based on grappling and ground fighting. There is no striking or kicking, as the "jiu-jitsu" name itself means "gentle art" in Japanese. The founder of Brazilian jiu-jitsu was a lightweight person, and the techniques he improvised allowed a smaller person to have a chance to defend themselves against a larger opponent.

NEW

BJJ and Self Defense

Grades: 9-Adult

In this course, students will gain the basic knowledge of Brazilian jiu-jitsu and learn how to defend themselves if they end up on the ground. Course activities include some light sparring and grappling for self-defense.

📅 Days: FRI. 4:45-5:40pm

💰 Cost: \$6,800 per semester

ITF TAEKWON-DO (ITF STYLE)

ITF Taekwon-Do follows the Taekwon-Do tenets and philosophy of its founder, General Choi Hong Hi. Its philosophy is based on the essential tenets of courtesy, integrity, perseverance, self-control and indomitable spirit. There is a heavy emphasis on theory and philosophy, patterns and technical perfection, as well as the sporting aspects.

ITF Taekwon-Do 1

Grades: 1-2

This class works on conditioning through various basic stances, and hand and foot techniques such as kicks, blocks and strikes. Also, we will be working on self-defense and danger awareness in class. By learning these fundamentals, children will enhance their physical, emotional and intellectual skills. This course is suitable for first graders, as it embraces games and drills for a fun and educational class.

📅 Days: TUE. & THU. 2:45-3:40pm

💰 Cost: \$9,600 per semester / twice per week

ITF Taekwon-Do 2

Grades: 3-4

Taekwon-Do 2 continues to work on skills learned in the first class. Ages are more advanced. This course introduces new complex techniques of kicks, blocks and strikes, as well as self-defense moves, patterns and sparring drills. We will also keep working on areas such as danger awareness and the philosophy "DO" of ITF Taekwon-Do.

📅 Days: TUE. & THU. 3:45-4:40pm

💰 Cost: \$9,600 per semester / twice per week

ITF Taekwon-Do 3

Grades: 5-Adult

Taekwon-Do 3 encompasses advanced forms of steps, sparring, and double/triple combinations, including jump and spin techniques and double kicks with alternate legs. Training includes defense tactics and sparring with light contact (pads for safety), arms sparring and learning competition rules.

📅 Days: TUE. & THU. 4:45-5:40pm

💰 Cost: \$9,600 per semester / twice per week

I KARATE (SHOTOKAN STYLE)

Karate has been practiced for centuries for self-defense and fitness. It is one of the oldest martial arts, originating from China and further developed in Japan. Karate builds character and improves self-confidence through disciplined exercises. Ideal for all ages, Karate can be learned from six years and up.  *Students will be taught in different groups based on their skill level.*

Karate 1

Grades: 1-2

Karate 1 students will learn fundamental skills such as blocks, punches, kicks, and basic one-step sparring. Students are also introduced to kata – a series of Karate techniques performed alone against imaginary opponents.

 Days: MON. & WED. 2:45-3:40pm

 Cost: \$9,600 per semester / twice per week

Karate 2

Grades: 2-3

Karate 2 builds on skills learned in Karate 1 and includes more advanced movements and sparring while making progress in kata. Students in grade 3 with no prior experience are welcome to join this class.

 Days: MON. & WED. 3:45-4:40pm

 Cost: \$9,600 per semester / twice per week

Karate 3

Grades: 3-5

Karate 3 teaches more intricate movements and techniques as students continue to perfect kata and practice advanced forms of sparring. Students in grade 4 and 5 with no prior experience are welcome to join this class.

 Days: MON. & WED. 4:45-5:40pm

 Cost: \$9,600 per semester / twice per week

Karate 4

Grades: 5-Adult

Gain confidence and learn self-defense skills! This is a Karate class for all levels of older students, from beginning to Black Belt. Develop your basic fundamentals or refresh your Karate skills while getting a great all-round total body workout.

WED. 5:45-7:10pm

 Cost: \$7,200 per semester / class

"We are so grateful for the opportunity to have put both of our children through the TYPA Karate program. Karate helped them improve body awareness, balance, coordination and flexibility. We are very proud of the effort and discipline our daughter has shown as she gets closer to her Black belt test. We highly recommend this program to others."

- Michelle Lawgun

DRAMA

GENERAL INFORMATION

TYPA offers unique and fun-filled drama programs for kids aged 4 and up. We provide children with the opportunity to build confidence, use creative thinking, and enhance social interaction, as well as expressive language skills. In TYPA DRAMA, all students, from the shy to the outgoing, can develop at their own pace, with plenty of positive encouragement.

Creative Drama

Grades: PreK-5

This class is designed to increase students' confidence, communicative skills and creative talents through a carefully constructed drama syllabus. It's not the aim to produce "stars", but rather to help all children realize their creative potential. TECHNOLOGY

GENERAL INFORMATION

TYPA TECHNOLOGY brings LEGO®, robotics, programming, coding and various design programs to kids ages 5 to 13 in a fun and challenging way through different classes.

We are very proud to inspire students to build on their natural curiosity by teaching technology-related concepts through hands-on learning.

Please note that TYPA will reserve a spot for your child when moving up to the next level, but it will not be guaranteed at the same day/time. Please take this into consideration when signing up for the LEGO robotics programs.

LEGO®-ESM (Beginning Robotics)

Grades: K

“Early Simple Machines”

The Early Machines program is ideal for introducing youngsters to the basic skills in building mechanical machines they see in their daily lives. Children can explore many creative ways to meet their early childhood development needs. This will be achieved through a wide range of play-based, hands-on activities. We will use gears, levers, pulleys, wheels and axles, as well as a plastic punch-out sheet with eyes, sails, scales and wings.

 Days: TUE. 2:45-3:40pm
 WED. 2:45-3:40pm
 WED. 3:45-4:40pm
 THU. 2:45-3:40pm

 Cost: \$8,200 per semester / class

LEGO®-SPM (Basic)

Grades: 1-3

“Simple Powered Machines”

LEGO® Simple Machines Sets are used in this course where students will be able to create simple mechanisms found in their daily lives (i.e. seesaws, egg beaters, etc.) From gears to motors, students follow guided instructions to create simple machines. They will be able to observe the transmission of force and the variation of speed. Through these and many other activities, their interest and passion for science will be fostered.

 Days: MON. 2:45-3:40pm
 TUE. 2:45-3:40pm
 TUE. 3:45-4:40pm
 WED. 2:45-3:40pm

LEGO® Robot Mindstorms EV3

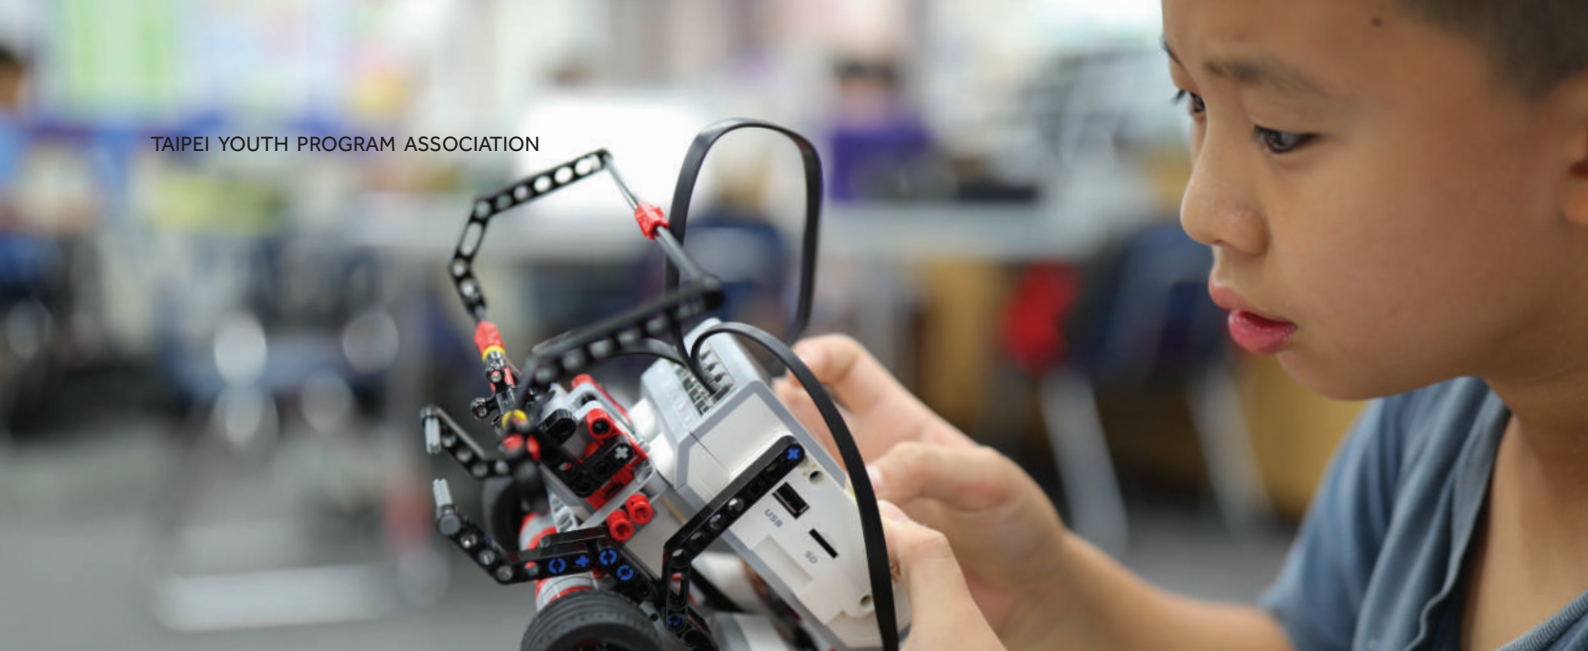

Grades: 4-8

A robot is an automatically guided machine that is able to do tasks on its own. LEGO® ROBOT MINDSTORMS EV3 combines the intelligent microcomputer brick, many types of sensors and hi-tech servo motors. You can design the mechanical devices and program the robot by using the intuitive drag-and-drop programming software. There are thousands of robotics inventions available to explore.

 *Instructor consent required. Students need to bring their notebook computer to class. Notebook computer requires at least 1024x768 pixels resolution.*

 Days: THU. 3:45-5:20pm

 Cost: \$11,600 per semester

LEGO® Robot Challenge

Grades: 4-8

In this class, students will be faced with many real-life engineering problems and build robots to simulate these challenges. Students will focus on strategy and innovation, mechanical design, programming and team dynamics. Students will also learn to use electrical compass sensors to control an NXT Soccer Robot. It's a fun and inspirational class designed for advanced LEGO® NXT students.

📌 *Instructor consent required. Students need to bring: 1. Notebook computer (1024x768 pixels resolution) 2. LEGO NXT (EV3 version) set to class*

📅 Days: TUE. 3:45-5:20pm

💰 Cost: \$15,800 per semester

Computer Lab - LEGO® Robotics

Grades: K-3

In this class, children build LEGO® models charged with the power of working motors, sensors, and simple programming. They will work on a series of theme-based activities and develop their science and math skills.

📌 *This is a one-year program and students can only register for a maximum of two semesters for each level.*

📅 Days: TUE. 3:45-4:40pm (Grades: K-1 Beg.)

WED. 3:45-4:40pm (Grades: 2-3 Adv.)

NEW VEX IQ Robot

Grades: 3-5

A VEX IQ class is designed to expose students to STEM (Science, Technology, Engineering, and Math) fundamentals within the context of building a robot. In this class, students will follow step-by-step instructions to build their robots. We will teach students how to use the C program to control their robots and the components of the robotics system including input (sensors) and output (motors), control units, and data communications. The VEX IQ Robot class will give students an opportunity to get excited about their creation and the many autonomous challenges to tackle.

📅 Days: MON. 3:45-5:20pm

💰 Cost: \$12,600 per semester

App Design

Grades: 4-6

In this class, students will learn how to build their own App and they will build their own data collection devices for the App, too! Students will understand how the data they store in the cloud is delivered to their App and how the App turns this data into smart information.

This course is split into four parts:

- ✈ An introduction to MIT App Inventor
- ✈ Understanding the basics of Arduino
- ✈ Project 1 - building a heart rate monitor and App
- ✈ Project 2 - building a weather station and App

📅 Days: THU. 2:45-4:40pm (Grades: 4-5)

💰 Cost: \$28,800 per semester

📅 Days: TUE. 3:45-4:40pm (Grades: 4-6)

Coding

Grades: 5-8

In this course, students will learn how to code using the Arduino coding language based on C++. We bridge the gap between the physical and digital worlds by teaching students how to go beyond the computer screen and program their own devices to become interactive. Students will understand the purpose of loops and variables, learning how to control devices using "real" code.

This course has been developed with a spirit of fun and enjoyment, and it's split into two parts: an introduction to coding by programming a self-driving car to avoid collisions and making OTTO the robot dance to the tune of C++!

📅 Days: FRI. 3:45-5:30pm

3-D Printing & Design

Grades: 6-8

★ OFFERED IN FALL SEMESTER ONLY ★

Improve our quality of life through computer-aided design! This class allows students to explore and experience design by interacting with design software. Students will use a variety of media from sketching to computer generated media to explore concepts of design. 2-D and 3-D graphics will be combined to create real world examples of design work. Students will also produce creative architectural designs and products using our 3-D printer!

📌 *Students need to bring a notebook computer.*

NEW

The Young Inventors Club

Grades: 1-5

The Young Inventors Club will challenge kids to use Little Bits electronic modules to transform any boring old object into awesome, touch-activated inventions to control their stuff.

The goal of the program: to give kids the creative confidence and curiosity to reinvent the world around them. They'll have so much fun, they won't even realize they're learning coding and STEAM skills for the future!

📅 Days: MON. 2:45-3:40pm (Grades:1-2)

NEW
Harry Potter Coding
Grades: 3-5

We think that the programmers of tomorrow will be the wizards of the future. Coding will be their special magic, and the earlier kids get started, the better.

The new Wizards and Witches will build a wand and code it so that it responds to their movements. We will learn about loops, logic, and variables. Wave your coding wand and see instant effects on screen. Make fire flow, pumpkins grow, feathers fly, goblets multiply, paint pictures, compose music, and more.

NEW
Fashion Tech
Grades: 3-5

This program focuses on mixing fashion design with interactive electronics. We will make amazing projects that the kids can take home, like 3D printed jewellery made out of biodegradable materials and a ring that can be used as an easycard that they can actually top up and use at 7-11! More advanced programs will use microcontrollers and involve real circuit design, which will teach real skills like soldering and more. Some of the later projects include a wearable drum kit and a piano t-shirt, as well as game controller shorts that work with the best games from the Scratch community!

NEW
Coding Kingdoms: GAME BUILDING
Grades: 3-6

Whereas some kids will be at home playing games after school, we'll be making our own versions of games that we love AND learning to code at the same time. While we make our own Minecraft mods and Roblox games, we will start simple by using code blocks and then progress into writing real Java code - learning real coding languages like professional game developers.

Harnessing kids' passion for Minecraft and Roblox in a safe environment with adult supervision and inspiration is the perfect mix of learning and creative play.

Cozmo - AI and Python

Grades: 5-7

The Cozmo program is more than just a series of coding activities to make the Cozmo robot complete a challenge. We make Cozmo's artificial intelligence celebrate with sounds and movement that represent human emotion by using block code. Afterwards, we will use real Python to teach Cozmo some basic AI functions and make the most of its powerful computer vision to complete a series of tasks such as protecting your house from invaders.

COOKING

GENERAL INFORMATION

Exposing children to the magic of cooking is great for creating healthy eating habits while improving self-confidence and self-esteem. Cooking requires hands-on use of math concepts, planning, thinking and time management. Students will not only learn to be creative, responsible and involved but also have a lot of fun at the same time!

Kids' Kitchen

Grades: 1

COOKING IS SO MUCH FUN! This class is a creative introduction to cooking for our budding little chefs! Children will learn the basic techniques of food preparation through enjoyable culinary experiments, fun recipes and edible activities. Some of these fun concoctions will not even require a heat source! Let's see what's cooking!

SCOUTING

GENERAL INFORMATION

There is a full range of scouting programs for all international boys and girls from Grade K to 12. Uniforms and supplies are available for all scouting needs. Volunteers are needed at all levels of participation to make the programs successful.

If Scouting is the only activity your child participates in with TYPA, you are required to pay a registration fee of \$1,400 that will cover both semesters.

For more information, please call TYPA at 2873-1815 or e-mail leej@typa.org.tw

Cub Scouts (Tiger Cubs-Webelos)

Grades: 1-5

Cub Scouting focuses on building character, improving physical fitness, teaching practical skills and developing a spirit of community service. Parents enrolling their sons in Cub Scouts serve as adult Den Leaders and/or serve on the Pack Committee to help plan and manage activities. No experience is necessary to hold these positions; training will be provided. In addition to weekly Den meetings, exciting monthly Pack activities include Pine-wood Derby, Rain Gutter Regatta, camp outs, service projects and more. While Dens can choose their own meeting times, most Den and Pack activities are on Saturday mornings.

TIGER TOTS

ABOUT THE TIGER TOTS PROGRAM

At Tiger Tots, we provide a safe, nurturing learning environment for children from the ages of 18 months to 6 years. Our programs have been designed to follow North American standards, and we provide age-appropriate educational goals, values, and philosophies that are implemented within a challenging and exciting learning environment. Play sets the stage for learning and provides the medium through which the children may imitate, explore, test ideas, acquire information, and draw conclusions. Our experienced, caring personnel emphasize and foster a positive self-image while encouraging uniqueness within socialization. The unique interests of each child are used as a guide for inquiries and exploration within the classroom. Tiger Tots also offers weekly gymnastics, music, and Kidsportz classes (4s and 5s), provided by TYPA specialized instructors. In addition, Mandarin classes are available for those students who want to acquire a new language or improve their first language.

COMMUNITY OF LEARNERS

All of our teachers are qualified educators, many of whom have been with Tiger Tots for several years. They work as a team to develop and implement meaningful and engaging programs for children, based on emergent curriculum planning techniques. Our teachers and teaching assistants are dedicated to participation in ongoing professional development and are also committed to, and encourage, active parent involvement and communication. Together, our love for children and the quality of education we offer creates a wonderful community of learners.

REGISTRATION

Prospective families should fill out a waiting list application form, which can be downloaded off the TYPA website or picked up at the front desk at either campus. There is no fee for waiting list placement. Upon completion of the form, new families may be contacted for a required visitation before registration.

A non-refundable registration fee of \$15,000 per semester is required for each child upon his/her acceptance into the program.

Tuition for Fall semester must be paid in full by June 28. Tuition for Spring semester must be paid in full upon registration in November. **No refunds or credits will be given (toward TYPA or Tiger Tots programs) after tuition due dates, unless families are leaving Taiwan.** If tuition is not paid by the due date, it will be assumed the child will not attend. If parents choose to take a vacation during scheduled school days, tuition will not be refunded or credited for the child's time away from preschool.

All Tiger Tots class fees cover one full semester. Classes are available once a minimum number of participants has been reached.

WITHDRAWAL POLICY

A minimum of two weeks written notice is required for withdrawal from all Tiger Tots programs. Please inquire at the TYPA office for a withdrawal form or download one from the TYPA website. Families who must leave Tiger Tots because of relocation to another country may receive a tuition refund for the amount of

the semester not used. If the family relocates, a refund will only be issued if the withdrawal is before **October 18, 2019** for the fall semester or before **March 13, 2020** for the spring semester. The registration fee is non-refundable.

LUNCH

A hot lunch is available for full-day children. Tiger Tots Place provides fresh fruit and orders lunches from local vendors who have demonstrated hygienic food preparation and provide healthy lunch choices. We order lunches from Taipei American School food services for Pre-K and K children. Lunch orders are placed in advance per semester. Parents can choose to send in a home lunch or a mixture of both choices for their child as well.

DROP OFF & PICK UP

At both campuses, children may **be dropped off between 8:30am and 9:00am**. If you are driving, please be sure to allow our staff to safely transport your child from the car into school. We respectfully ask that children arrive at school on time and are picked up promptly at the end of class time.

📌 *For additional policy information, please refer to the electronic Tiger Tots Parent Handbook on the TYPA website.*

PRE-SCHOOL PROGRAMS

5 5s (Five-Year-Old) Kindergarten Program

For children who are five before Sept. 1, 2019

Our Kindergarten program helps to prepare learners for success throughout their academic life. We develop a balance of child-initiated learning and teacher-directed opportunities by closely following North American benchmarks and learning standards. Our curriculum covers a wide range of academic areas including phonics, writing workshops, guided reading, math, science, social studies, the arts (visual and musical), fitness and movement, and social and emotional development.

We aim to promote well-being, self-help, collaboration, and independence. We value each child as a unique individual and encourage their curiosity through themes that have emerged from their own interests. Children face new challenges, make new discoveries, and happily celebrate their own efforts and

achievements and those of others while in a safe, loving learning environment.

M - F	9:00 am - 2:30 pm	\$130,500

4 4s (Four-Year-Old) Pre-Kindergarten Program

For children who are four before Sept. 1, 2019

The Pre-K Program is an age-appropriate instructional program that prepares students for a successful transition to kindergarten and beyond. It helps children advance their skills in core pre-academic areas such as phonics, math, and science, while at the same time helping them excel in other essential areas such as art, social and emotional well-being, and health and wellness. Our child-centered approach ensures that children are exposed

to a diverse array of learning activities, and that they thrive in all areas of childhood development, creative thinking, complex problem solving, empathetic collaboration, curious investigation, and astute decision making.

We engage in and encourage each child's natural curiosity and interest in learning. Our goal is to have children actively participate in the learning process and provide them with the opportunity to complete assigned tasks with a level of independence. This allows for both direct and indirect acquisition of knowledge and skills.

3 3s (Three-Year-Old) Playgroup Program

For children who are three before Sept. 1, 2019

The Three-Year-Old Program is designed to encourage a balance of child-initiated and teacher-facilitated activities. This program offers children a variety of choices provided within a carefully prepared indoor and outdoor environment. This environment includes art, dramatic play, blocks, manipulatives, language arts, books, music, water and sand play, as well as activities to build large and small motor skills. Our goals include the encouragement of each child's natural curiosity and interest in learning. We feel it is important for children to actively participate in the learning process, and therefore provide many opportunities for learning by doing, for both indirect and direct acquisition of new knowledge and skills. Our three-year-old classrooms are located at  Tiger Tots Campus.

Emphasis in these groups is on learning through play in an environment planned to encourage discovery, independence, and social interaction. In order to develop self-esteem and social competence, children are encouraged to help themselves, take initia-

tive, and become increasingly independent. To help children develop a sense of trust and feel comfortable from the start, a parent or consistent caregiver may remain in the classroom until the teaching staff indicates that a separation is appropriate and can be comfortably accomplished.

2 2s (Two-Year-Old) Playgroup Program

For children who are two before Sept. 1, 2019

Two-Year-Old Playgroups meet either two, three or five days each week, depending on the schedule you choose at registration. There is also the option of the full-day two-year-old program, which includes nap time, free choice time, and story time. The full-day program allows an easy adjustment for the child needing to remain with his/her teacher and in his/her classroom until the end of the school day. Our two-year-old classrooms are located at 📍 Tiger Tots Campus.

The Two-Year-Old Program encourages the growth of independence and social awareness, sensory exploration, the development

of physical skills, and language development. Children play in planned indoor and outdoor environments designed to provide a variety of materials to explore.

For two-year-olds, it can take some time for the child to be totally comfortable in a group environment, to seek out teachers for support, and to develop increased peer social skills. To ease this transition at the beginning of each semester, a parent or other consistent caregiver may remain in the classroom with the child until the teaching staff indicates that a separation from this primary adult is appropriate and can be comfortably accomplished.

"Our son has been with Tiger Tots for almost two years. He's gone from a shy, barely talking little guy to a confident, social, and happy tiger tot. Whenever we see the big smile on his face after school, we know we made the right choice choosing Tiger Tots as the first school in his life. "

1 Pre-2s (Pre-Two-Year-Old) Tiggers Playgroup

For children who are 18 months before Sept. 1, 2019

Tiggers Pre-2s Playgroup meets either two, three or five days each week, depending on the schedule you choose at registration. The classroom is located at  Tiger Tots Campus.

This playgroup program is comprised of informal sessions during which children come together to socialize and have fun in an air-conditioned, clean, relaxed and friendly environment. The experience will help your child gain an understanding of what school is about, and foster a positive attitude towards it, through stories, songs, drama, music and play.

By providing stimulating and age-appropriate equipment, activities and materials, your child will become more independent, be encouraged to make appropriate choices, solve problems, and make discoveries through moving and doing. Our little Tiggers will learn about themselves and how to relate to

others.

It can take some time for young toddlers to feel secure and comfortable in a group environment, to seek out familiar adults for support, and to develop increased social skills. To ease this transition, a parent or other familiar caregiver may remain in the classroom until the teaching staff indicates that a separation is appropriate and can be comfortably accomplished.

ENRICHMENT PROGRAMS

AFTERNOON PROGRAMS

GENERAL INFORMATION

While our preschool programs offer child-centered learning, our enrichment programs are specialty classes that focus on a particular skill or topic. All classes are held at the Tiger Tots Campus on Tian Yu Street (except Parent & Child classes.)

PICK-UP SERVICE

Children who are enrolled in Tiger Tots Pre-K and K classes and signed up for the 2:45pm enrichment programs and/or TYPA activities will be picked up from their class and escorted to their next destination.

Wiggles & Words

Ages: 2-3

This afternoon class combines the best of Story Time! Fun Time! with Music and Movement for two and three-year-old children. Popular children’s stories will inspire art activities, games, and cooking projects. Your child will also be introduced to a wide variety of music in this class. Students will be encouraged to experiment with, explore, listen to, connect, and create music. Students will be given a short quiet time during the afternoon to improve their alertness.

Little Artists

Ages: 2-3

Little Artists is a fun-filled, theme-based art class designed to teach our youngest artists to color, stick, glue and invent. Our little pupils will not only have the opportunity to sow their seeds of creativity and expression, but also to develop a love for colors, engage in 2D and 3D activities, paint to music and achieve a sense of accomplishment. What a fun way to enhance development of fine motor skills!

 Days: WED. & FRI. 2:45-3:40pm

 Cost: \$11,200 per semester

Hands-On Science

Ages: 3-5

This after school program is offered two days each week for three, four or five year olds. Over the course of the semester, children will use the rudiments of scientific methods predicting, experimenting and recording for each of the topics presented. In this class, children will explore a wide range of topics through which we hope to encourage their natural curiosity for inquiry and discovery.

 Days: MON. & WED. 2:45-3:40pm (Ages: 4-5)

TUE. & THU. 2:45-3:40pm (Ages: 3-4)

 Cost: \$11,200 per semester / class

Kiddie Games & Sports

Ages: 2-4

It is with great adventure and pride that children learn new physical skills. The Kiddie Games and Sports program will give children many opportunities to practice the new physical skills they are developing. This program will involve cooperative games that emphasize teamwork, good sportsmanship, following rules and taking turns while improving their strength and flexibility.

 Days: MON. 2:45-3:40pm (Ages: 3-4)

FRI. 2:45-3:40pm (Ages: 2-3)

 Cost: \$5,600 per semester / class

Little Chefs

Ages: 2-5

There will be plenty of opportunities for our little chefs to assemble ingredients and cook up a storm in this class! These hands-on experiences will allow children to measure, mix, assemble, cook and bake a variety of simple yet tasty treats both individually and as a group. The cost of the class includes ingredients, equipment, and lots of delicious dishes to sample.

 *Cooking with kids is one of the best ways to improve both cognitive and language development.*

Story Time! Fun Time!

Ages: 2-3

Children enter a magical world of story fun in this afternoon combination class for two and three-year-old children. World famous stories will inspire the activities presented in this class. Children will also have opportunities to participate in activities related to the stories, including art, singing and more.

 Days: TUE. 2:45-3:40pm

THU. 2:45-3:40pm

 Cost: \$5,600 per semester / class

Number Magic

Ages: 2-5

In children, we realize the importance of developing positive attitudes towards mathematics at a young age. This fun class will encourage development and improvement of numeracy skills through active participation, positive motivation, the introduction of engaging concrete materials, and the incorporation of games, songs and rhymes. The Number Magic lessons use a hands-on approach to numbers to get our children off to a good start!

 Days: TUE. 2:45-3:40pm (Ages: 2-3)

FRI. 2:45-3:40pm (Ages: 4-5)

 Cost: \$5,600 per semester / class

Kiddie Fabric Workshop

Ages: 3-5

Come all crafty kids! Our fabulous teacher will introduce our students to the wonderful world of fabrics. Using age-appropriate sewing techniques and other skills, your child will create a bag, stuffed toys, flowers and more using felt and fabric. Your child will spend 3 to 4 weeks creating each project.

 Days: FRI. 2:45-3:40pm

 Cost: \$6,200 per semester

NEW

Mindful Activities and Yoga

Ages: 4-5

This class introduces children to the benefits of mindful activities and yoga in a fun and easily accessible manner. Children will learn age-appropriate yoga poses and engage in creative yoga games that develop physical strength, flexibility, balance, and coordination. To compliment this physical activity, we will practice calming breathing techniques, simple visualizations, and other related mindful and relaxation activities. These are all tools that children can then use outside the classroom to assist in their emotional and energetic self-regulation.

 Days: TUE. 2:45-3:40pm

 Cost: \$5,800 per semester

Fantastic Story Fun thru Dramatic Play

Ages: 4-5

This class offers students in Pre-K and K the opportunity to learn through dramatic self-expression and enriching stories. Children will be guided through different themes including the classics, award-winning stories, famous authors, and more! Each story will be extended and interpreted through retelling, unique dramatization activities, and creative voice experimentation-all leading to exciting performances.

 Days: THU. 3:45-4:40pm

 Cost: \$5,600 per semester

Model Making Fun

Ages: 4-6

This class is for the more technically-minded child who is all about tangible art. Model building projects use balsa wood, cardboard, popsicle sticks and other materials to create model cars, airplanes, boxes and so much more. These fun 2-3 week long projects are sure to enhance your child's creativity and improve problem-solving skills.

 Days: THU. 2:45-3:40pm

 Cost: \$6,600 per semester

GRADES 1-3 AFTER SCHOOL PROGRAMS

GENERAL INFORMATION

Our Language and Literacy Programs offer exciting learning opportunities for children attending local schools whose language of instruction is an Asian language. They are designed for children who have graduated from Tiger Tots or any other English-speaking preschool. However, children without a formal background in English education may also be screened for these programs. Our goal for this programming is to offer grade-level English for children who would like to continue building on their skills. The programs are held at 📍 Tiger Tots Campus on Tian Yu Street.

📌 *A non-refundable books and materials fee has been included in the tuition.*

Grade School Language & Literacy Grades: 1-2

This class offers explicit vocabulary, phonics, spelling, reading, writing and grammar instruction. Students are inspired by working with Harcourt Trophies textbooks highlighting award-winning literature and related workbooks that will empower them with focus skills and strategies. Students will also participate in library book borrowing, integrated writer's workshop projects, and various presentation/conversation opportunities.

This program is ideal for students who are interested in maintaining skills equivalent to North American Common Core state standards.

SUMMER CAMPS

GENERAL INFORMATION

TYPA activities don't end when school is out – we have a bunch of fun-filled summer activities for every member of our TYPA family. From our two-year-old children to our middle schoolers, we have something for everyone!

For our little ones (Ages 2-5), we have our super popular Tiger Tots Pre-School Camp. Our Day Camp, "A Taste of TYPA" (Grades 1-7) combines everything that is awesome about TYPA into one hot summer camp! To keep up with current technological advancements, this year we are offering a brand new Tech Camp that covers a diverse range of coding and programming for Grades 1-7. In addition, our Film Camp returns for Grades 6-8 for two weeks of creative video making. For Sports enthusiasts we have a summer-long Tennis program (camp, private, semi-private; Grades 1-up), and we will end our summer with a wicked week-long Basketball Camp (Grades 3-8). Please check out detailed information in the pages that follow!

FORCE MAJEURE

If there is a day where our program is canceled

due to unforeseen circumstances (i.e. typhoon), there will be no refund, credit, or make-up day (this does not apply to Summer Tennis or Music Lessons). If a second day is canceled within the same week, a pro-rated refund will be given.

SUMMER CAMP REGISTRATION DATES

- MAR. 11** *Open Registration for Tiger Tots & TAS Families*
- MAR. 13** *Open Registration for All Members*

WITHDRAWALS

Withdrawals or schedule changes will only take effect if you submit the withdrawal form to the office on or before the Monday prior to your session. If withdrawing, a \$1000 processing fee will be charged for each week withdrawn, and the remainder will be refunded or credited.

- For summer tennis and music programs, no refunds or credits will be given after the registration cut-off date of **May 24**.*

Day Camp "A Taste of TYPA"

Grades: 1-7

JUN. 3 - AUG. 2

Have you tried to get into a popular TYPA program but missed the last spot? Have you always wanted to learn something new but never got the chance? Summer at TYPA is the perfect opportunity for you! "A Taste of TYPA" is nine weeks of our best programs all combined into one HOT summer! And we've got an exciting line-up of counselors from overseas to lead the camp. Tapping into our fabulous supply of expert instructors, we bring you a weekly dose of awesome activities! Aside from our weekly field trips, all our activities take place on the Taipei American School campus.

Every week we will have something new and exciting. You'll be able to try your hand at any number of activities such as LEGO robotics, Hip Hop, Sports, Arts & Crafts, Exergaming, Martial Arts, Actor's Workshop and much, much more!

And don't forget about our Summer Camp favorites! Our fantastic Thursday field trips (Leo Foo Village Water and Theme Park, Window on China Amusement Park, ice skating, movies and more), delicious lunches and snacks, Wet 'n' Wild, and of course Cream the Counselor to name but a few.

Sign up for the whole summer or individual weeks as you like. Don't delay, we're going to have one SIZZLING SUMMER!

 Days: MON. - FRI. 9:00am-4:00pm

 Cost: \$11,000 / week **(lunch provided)**

TIGER TOTS SUMMER CAMP

Tiger Tots Pre-School Camp

Ages: 2-5

JUN. 3 - JUL. 12

Why leave Taipei to go on vacation when we have a paradise right here just waiting for children to discover. Come join us for **FUN** and **LEARNING** this Summer Camp!

Enjoy weekly themes, fun science experiments, cooking classes, arts and crafts, games, water play, on campus events (2s and 3s), and weekly field trips (4s and 5s), along with wacky dress up days and more. Fun with ABCs and 123s will be a part of the curriculum for our 3s – 5s campers.

LUNCH INFO:

A hot lunch is available for full-day children to order. Parents can choose to send in a home lunch as well.

Basketball Camp

Grades: 3-8

AUG. 5-9

If you are looking to raise your game to the next level, then our TYPA basketball camp is the place to be! Our week-long camp is designed to expose players to intense individual training, as well as team concepts of offense and defense. Our expert coaches range from former college and professional players to our very own high school heroes! We use a variety of competitive, fun drills and workouts that are designed to inspire and teach participants to be smart, fundamental-

ly-sound, and complete basketball players. Not only will campers develop throughout the week, but they will also be taught drills and training techniques that they can use throughout their basketball careers.

Some of the techniques and principles that will be taught at the camp:

- ⊗ *Fundamental passing, ball handling, defense and rebounding*
- ⊗ *Triple-threat position*
- ⊗ *Perimeter and "back-to-the-basket" one-on-one moves*
- ⊗ *Setting screens to free up open shots*
- ⊗ *Communication and conditioning*
- ⊗ *Fun individual and team competitions*
- ⊗ *We use explanation, demonstration, imitation, and repetition*

TECH CAMP

In these camps, students will discover a world of robotics that goes beyond battles, destruction and droids. These programs are about using design and engineering skills to invent and build smart robotic devices for the home!

Students will learn how to use motors and other mechanical devices, program and utilize different sensors using coding blocks, and the basics of electronics. But most importantly,

they will develop some hands-on maker skills and creativity with tools!

- 🕒 Cost: 9:00-15:00 \$19,000/wk (lunch provided)
- 9:00-12:00 \$9,500/wk (without lunch)
- 12:00-15:00 \$9,500/wk (lunch provided)

💡 *Materials will be provided for the camps, except 'Cozmo - AI and Python', where an extra NT\$6,000 Cozmo Kit will be charged.*

Young Inventors Camp

Grades: 1-2

This problem will challenge kids to use Little Bits electronic modules to transform any boring old object into awesome, touch-activated inventions to control their stuff. The goal of the program: to give kids the creative confidence and curiosity to reinvent the world around them. They'll have so much fun, they won't even realize they're gaining STEAM skills for the future!

Avengers/Droid Inventor Camp

Grades: 2-4

The best superheroes are the ones who have the brains AND know how to use them! In this program, students will be inspired by the world of superheroes and the possibilities of engineering and computer science to build their own characters and stories. Also, students create their own Droid and bring it to life using Little Bits electronic blocks and code!

Harry Potter Coding Camp

Grades: 3-5

We think that the programmers of tomorrow will be the wizards of the future. In this program, the new Wizards and Witches will build a wand and code it so that it responds to their movements. They will wave their coding wands and see instant effects on screen. We will make fire flow, pumpkins grow, feathers fly, goblets multiply, paint pictures, compose music, and more!

Little Bits Code Master Camp

Grades: 3-5

The Little Bits Code Master Inventor program teaches kids how to code through activities they love: making, coding and playing hands-on games. Whether you have never used code before or you have been using Scratch code and more at school, this program makes kids understand the power of code in a way they didn't even know was possible.

Code Kingdoms (Game Building) Camp

Grades: 3-6

Whereas some kids will be at home playing games after school, we'll be making our own versions of games that we love AND learning to code at the same time. While we make our own Minecraft mods and Roblox games, we will start simple by using code blocks and then progress into writing real Java code - learning real coding languages like professional game developers.

Space Inventor (NASA) Camp

Grades: 5-7

This program is designed to inspire a generation of space scientists, engineers and big thinkers! This program uses the Little Bits space kits that were developed in collaboration with NASA. The camp focuses on scientifically accurate projects and experiments that replicate NASA's groundbreaking work, such as making a Mars Rover, a Satellite Dish or an International Space Station.

Cozmo - AI and Python Camp

Grades: 5-7

In this challenging program, we will use artificial intelligence to train Cozmo the robot to celebrate with sounds and movement that represent human emotion by using block code. Afterwards, we will use real Python to teach Cozmo some basic AI functions and make the most of its powerful computer vision to complete a series of tasks such as protecting your house from invaders.

Film Camp Grades: 6-8

JUN. 3-14 (Two Weeks)

This exciting TWO-WEEK summer course will focus on the four most basic phases of film making: Development, Pre-Production, Production, and Post-Production. Students will analyze and study all of the language systems of film-making; including cinematography, editing, sound, story, and ideology. In studying these valuable tools that filmmakers use, students better understand how movies are constructed and are able to implement these elements to raise the production quality of their future films.

Please note that the initial Summer Film Camp registration took place in March, just prior to this publication. Afterwards, registration is on-going.

Days: MON. - FRI. 1:00–3:30pm

Cost: \$14,000

Summer Music Grades: 1-Adult

JUN. 3 - AUG. 9

Thinking about preparing for music exams? Or need more music in your life? Summer private music lessons can provide exactly what you need. The Summer Music program offers private lessons in piano, violin, cello, flute, guitar, and voice.

*For the summer music program ,no refunds or credits will be given after the registration cut-off date of **May 24.***
