

TYP A SPORTS ACADEMY

DRAGONS BASKETBALL YEAR ROUND COMPETITIVE PROGRAM

PROGRAM INTRODUCTION

We are excited to announce to Taiwan's international community a new year round youth basketball programming offering for students in Grade 5-12. Set to launch August 23, 2025, the TYP A Sports Academy Dragons Basketball program will offer a consistent, curriculum-based training and competition environment on the Taipei American School campus for athletes in Grade 5-12.

The Dragons Basketball program will align with the USA Basketball Player Development Curriculum to ensure a structured coaching approach featuring developmentally appropriate skill progression and team concepts.

Both boys and girls programs will be offered, with participants grouped in the following divisions:

- *U12 (Grade 5-6)*
- *U15 (Grade 7-9)*
- *U19 (Grade 10-12)*

A two-week trial is offered for all TYP A programs. If a participant would like to withdraw from the Dragons Basketball program at the end of the trial period, a refund will be provided less the pro-rated cost of sessions already attended, the registration fee of NT\$1,600 and a processing fee of NT\$500.

Assessments for each of the age groups will be carried out with the aim of providing athletes with the optimal opportunity to learn and improve. Assessment details will be communicated in the leadup to the program start date.

SCHEDULE & TUITION

Fall Semester programs are scheduled to run from Saturday, Aug. 23 through Wednesday, Dec. 17. An informational event for interested parents and athletes will take place the week of Aug. 18—details regarding time and venue will be communicated at a later date.

Please note that the below practice times are subject to change based on facility availability and potential adjustments made to accommodate in-season TAS basketball participants within each age division. Any changes will be communicated as early as possible.

The Dragons Basketball program will strive to provide all participants with competitive opportunities appropriate for their skill level and long-term athletic development. Games will take place approximately twice per month on Sunday and might include:

- *League competition against local club teams*
- *Friendly games against outside teams*
- *Intrasquad scrimmages*
